

**Ogden City Corporation
Request for Proposals
Constable Services**

Q & A

1. Is all protective equipment, weapons, vehicles, uniforms, fuel provided by the contractor as a fixed rate hourly rate?
 - a. The contractor is responsible for providing their employees with all protective equipment, weapons, vehicles, uniforms, insurance, and radios. The contractor will bill the city a fixed hourly rate per employee.
2. How many current constables are working under the current city contract?
 - a. We require a minimum of 4 constables at the Justice Court, and two and the Municipal Building. We require all employees to be POST certified.
3. We are a Defense Contractor and manufacture of LE and MIL equipment so equipment is not a problem, but what if any City equipment is provided?
 - a. No city equipment is provided. Constables will use city computers to monitor cameras while at their duty stations.
4. We are currently located in the City of Lindon, but have no problem identifying and signing a rental lease in the city of Ogden if awarded a contract, Is it acceptable to identify an office space in the city near the courthouse in our bid and execute that lease upon contract award? I will include this into the proposal documents for verification.
 - a. There is currently not a requirement to have a space in Ogden to fulfill the contract.
5. Who is the past company provider for the city?
 - a. All Pro Security.
